Zenitel has firmly established itself at the intersection of two domains - communication on the one hand, security and safety on the other. As a leading player in instant audio and data communication, Zenitel is the preferred choice in situations that involve the protection of human lives, or the management of critical activities. Zenitel is committed to the success and future objectives of its Secure Communication Systems (SCS) activity that develops and distributes fully integrated communication platforms including Intercom, Public Address and two-way Radio Systems.

Zenitel has a strong presence in both the onshore and offshore secure communications market through its global brand, Vingtor-Stentofon. The brand is recognized globally for offering advanced offshore and onshore communication systems. Vingtor-Stentofon provides integrated security communications for environments where life, property and assets are at stake. Systems interface with other security devices including CCTV, access control and alarm for a comprehensive security solution. Vingtor-Stentofon's primary system offering is within Public Address, Intercom and Radio. The key segments include Building Security & Public Safety, Transportation, Industrial, Oil & Gas and Maritime.

Zenitel is a listed company (Euronext). The statutory headquarter of Zenitel is in Zellik (Brussels) and the operational headquarters is based in Norway.
