Technologie zal ons worst wezen...

Maar technologie met een doel...

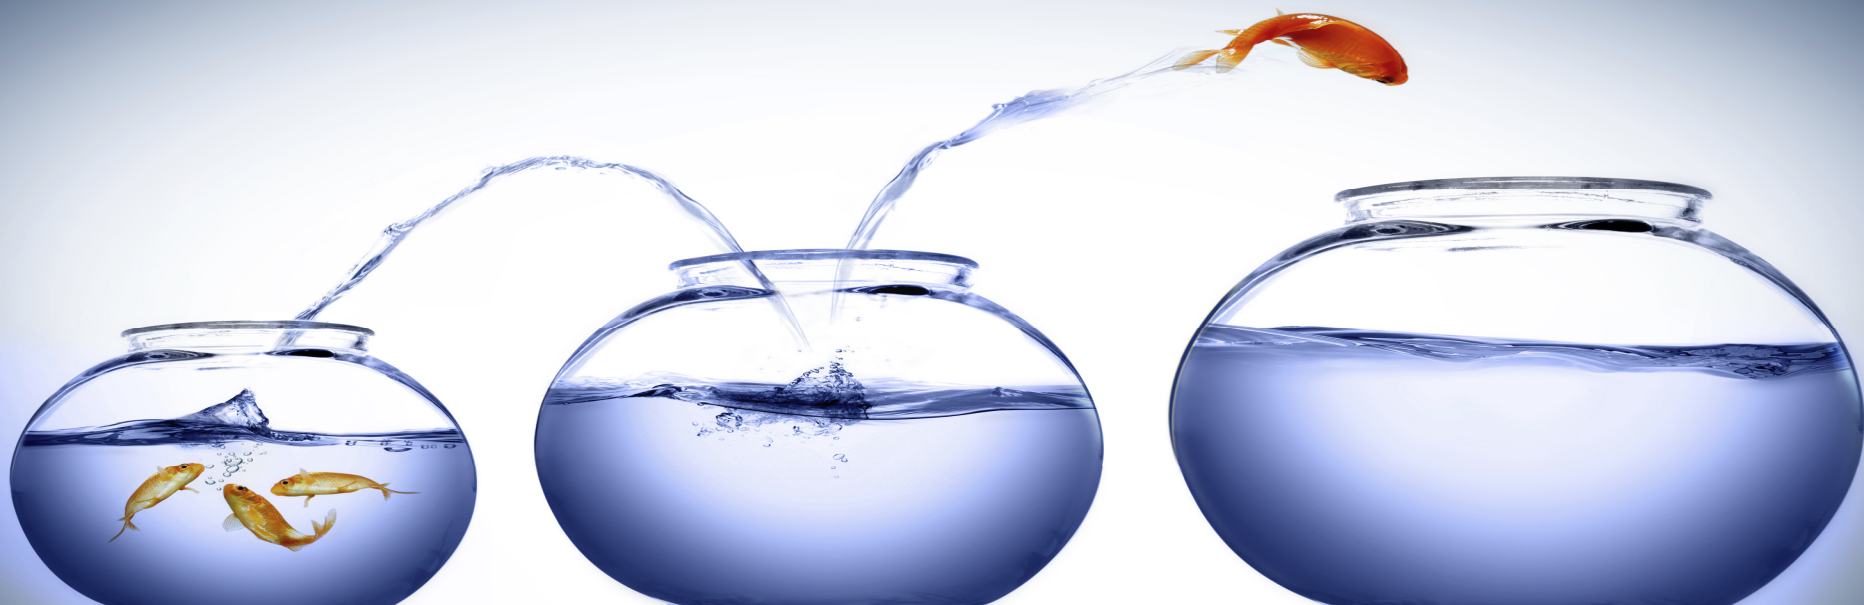

Improving Quality of Life

A person wearing a pink shirt, a grey cap, and a backpack is hiking through a dense tropical forest. They are using a long, thin stick to clear a path through the thick vegetation. The forest is filled with various types of trees and large green leaves, creating a lush and vibrant environment. The word "Trailblazer" is written in large, white, bold letters across the bottom of the image.
