

May 2026

Press conference & interview opportunity – Agfa to showcase a ‘beast for every need’ at FESPA Barcelona

There’s something big on the horizon. Agfa is returning to FESPA Global Print Expo this year with a packed showcase of inkjet powerhouses – will we see you there?

Join us at Agfa’s press conference, **12-12.30pm, on May 19**, to experience the latest in wide format inkjet technology and discover a powerful print beast for every print need.

Making its European debut, the Jeti Bronco H3300 HS – a hybrid wide format UV LED printer designed for versatility, productivity, and premium print quality – will headline the event, alongside the latest version of Agfa’s workflow software, Asanti 8. Visitors can also discover the wider Agfa portfolio including the fully automated Onset Panthera flatbed, the heavy-duty hybrid Jeti Tauro H3300 UHS, and one of the Anapurna Ciervo hybrid family members, the H2500.

Join us in the Press Room, located at the south entrance of the FIRA, Barcelona, May 19, 12-12.30pm.

Agfa inkjet experts will be available throughout the show for exclusive one-to-one interviews on **stand D100, Hall 3**. To schedule an interview slot during FESPA, simply reply to this email or contact me using the details below, and the Think B2B team will arrange a time for you.

We look forward to welcoming you to Barcelona!

Many thanks,
