An Incredible KLAS Triple-Award Win for Agfa HealthCare!

Mortsel, Belgium – February 5, 2025

Agfa HealthCare proudly celebrates a remarkable KLAS triple-win, securing two #1 Best in KLAS Awards for XERO® Viewer and VNA, alongside the KLAS Most Improved Software Product for 2025.

“To receive a KLAS Award is one of the most notable wins for Agfa HealthCare, and a testament to the hard work we invest into our flagship platform. More importantly, it reflects the trust and recognition from our customers. Their success is our success, and to receive two such awards is simply breathtaking.” – Nathalie McCaughley, President, Agfa HealthCare

The Best in KLAS report recognizes software and service providers who excel in supporting healthcare professionals and patient care. Based on extensive customer feedback and evaluations, these awards highlight Agfa HealthCare’s unwavering commitment to innovation and excellence.

For 2025, Agfa HealthCare’s Enterprise Imaging XERO® Viewer leads the Universal Viewer (Imaging) category for the second consecutive year, while Enterprise Imaging VNA secures top honors. These recognitions reaffirm the strength of Agfa’s Enterprise Imaging Platform and its dedication to delivering value and support to healthcare providers worldwide. The award will be presented at the Best in KLAS Awards Ceremony at HIMSS, where Nathalie McCaughley will proudly represent #TeamAGFA.

KLAS CEO Adam Gale emphasizes the significance of these accolades: “Congratulations to the 2025 winners of the Best in KLAS awards. Winning a Best in KLAS award signifies a commitment to delivering outstanding value and innovation to healthcare providers and patients alike. It is my hope that these awards inspire the winners and other companies to reach new heights.”

Adding to this success, Agfa HealthCare is honored to receive the KLAS Most Improved Software Product for 2025. The award will be presented at the Best in KLAS Awards Ceremony at VIVE.

KLAS President Steve Low commends Agfa HealthCare's progress:

"Receiving the KLAS Most Improved Vendor recognition requires humility and unwavering dedication to improvement. I extend my heartfelt congratulations to Agfa HealthCare for achieving the accolade of 2025 Best in KLAS Most Improved Software Product. This award speaks to the improvements your customers have experienced this past year, and how they benefit both providers and the patients they care for."

McCaughley further reflects on this achievement: "The Most Improved Software Product Award is a powerful validation of Agfa HealthCare's commitment to innovation and customer success. It highlights our role as a trusted partner, ensuring that our technology evolves to meet the needs of a rapidly advancing imaging landscape."

This recognition reinforces Agfa HealthCare's dedication to advancing Enterprise Imaging and delivering innovative solutions that empower healthcare providers. We deeply appreciate the trust and collaboration of our valued customers and partners as we continue to shape the future of medical imaging.
